AREA OF CONSIDERATION: Permanent Presently Employed Excepted Federal Technicians in the New Mexico Air National Guard.

APPOINTMENT FACTORS: Excepted Federal Service – **Enlisted (E-7 and below).**

POSITION LOCATION: Life Support, 150th Fighter Wing, New Mexico Air National Guard, Kirtland Air Force Base, New Mexico.

OPENING DATE: 30 January 2004.

DATE VACANCY EXISTS: Currently exists.

POSITION NUMBERS: 80076000.

POSITION POTENTIAL: The top grade of this position is WG-10.

APPOINTMENT REQUIREMENTS: Excepted Civil Service. Individual selected must be assigned to an enlisted position in the New Mexico Air National Guard. Individual must wear the uniform as prescribed by National Guard Bureau policies and the Adjutant General of New Mexico.

ACTIVE GUARD RESERVE (AGR) ANNOUNCEMENT: This position is also being advertised as Vacancy Announcement M-04-2010 AIR/AGR for presently employed AGR personnel who wish consideration with retention of AGR status.

RE-PROMOTION STATEMENT: New Mexico Air National Guard technicians who were previously downgraded from a grade equal to, or higher than that advertised at the target grade in this announcement, and who are still receiving pay retention benefits from that downgrade, may be considered for this position as an exception to competition. Technicians who desire re-promotion consideration must send a letter to the Human Resources Office, prior to the closing date of this announcement, requesting consideration for re-promotion.

PERMANENT CHANGE OF STATION (PCS) BENEFITS: PCS benefits are not authorized.

EQUAL OPPORTUNITY: The New Mexico National Guard is an Equal Opportunity Employer. Selection for a position will be made without regard to race, religion, national origin, sex, political affiliation, marital status, membership or non-membership in an employee organization, non-disqualifying physical handicap, age (except military requirement for excepted technicians) or any other non-merit factor. Under Public Law 90-486, veterans' preference is not applicable.

REASONABLE ACCOMMODATION: This agency provides reasonable accommodation to applicants with disabilities where appropriate. If you need a reasonable accommodation for any part of the application and hiring process, please notify the agency. Determination for reasonable accommodation will be made on a case-by-case basis.

INSTRUCTIONS FOR APPLYING: Individuals who think that they meet the basic qualification requirements may apply. Application will be made by resume, Optional Form 612, Standard Form 171, or in any other written format. Permanent presently employed technicians of the New Mexico National Guard may submit AGONM Form 300. Although the federal government does not require a standard application form for most jobs, we do need certain information to evaluate your qualifications and determine if you meet legal requirements for federal employment. If your application does not provide all the information requested in the job vacancy announcement, you may lose consideration for a job. Applications will be accepted only if they are received in the Human Resources Office by close of business on the closing date of the vacancy announcement; received postmarked (or other common carrier receipt mark) on or before the closing date of the vacancy announcement; or delivered to the Human Resources Office representative during her/his regularly scheduled Thursday trip to the New Mexico Air National Guard Headquarters Building. Assurance of a legible postmark or other carrier receipt mark is the responsibility of the applicant. It is a violation of 18 USC 1719 to use government postage to send applications and violators may be subject to disciplinary action and fine as prescribed by law. Applications submitted by facsimile equipment (FAX) will be accepted for consideration. The New Mexico National Guard is not responsible for monitoring the quality or completeness of the FAX.

EVALUATION METHOD: All applicants will be initially screened against mandatory qualifications. A staff representative of the Human Resources Office will conduct the evaluation. The evaluation will be based on the knowledge, skills, and abilities (KSAs) considered necessary for successful performance in the position.

MILITARY COMPATIBILITY: Individual selected must be assigned, prior to appointment, to a compatible Duty Air Force Specialty Code of: 2A7X0 and 2A7X4.

BASIC QUALIFICATION REQUIREMENTS: The basic qualification requirements are indicated below. These qualification requirements must be met, in addition to any military requirements, in order to be found qualified for and selected to this position.

GENERAL EXPERIENCE: Experience, education, or training which demonstrates the candidates ability to take measurements, make patterns and layouts, mark, cut, fit and sew or cement parts together, using hand or power tools and equipment and knowledge of fabrics and construction methods.

SPECIALIZED EXPERIENCE: Must have eighteen months' experience that has demonstrated the following knowledge, skills, and abilities:

1. Ability to plan and accomplish a functional shop maintenance program and skill in surveillance and troubleshooting techniques.
2. Ability to plan work when detailed specifications are not available and take measurements for articles of various shapes and sizes.
3. Knowledge of shop mathematics, to include fractions, equations, and plane measurements to make difficult calculations.
4. Ability to make complicated cutting layouts involving many pattern pieces, fabrics with directional prints, or other difficult layouts.
5. Ability to draw individual patterns or alter or adjust standard patterns to fit special measurements and incorporate design proportions.
6. Skill to fit items to spaces or locations with unique parameters, unusual shapes, or obstructions.
7. Ability to make measurements and fittings in confined spaces or alter patterns to solve individual fitting problems.
8. Ability to work with a wide variety of fabrics and materials to include newly developed materials.
9. Knowledge of all types of common fibers, blends, fabrics, and finishes to include a knowledge of performance and handling characteristics such as dimensional stability, abrasion resistance, and heat sensitivity, to select materials to meet particular needs.
10. Ability to substitute materials when the precise type or weight desired is not available.

QUALITY AND TYPE OF EXPERIENCE: The required amount of experience/education will not in itself be accepted as proof of qualification. The quality, type and scope of the experience/education must be of such nature as to demonstrate that applicants are fully qualified to perform the duties at the level for which they apply.

DOCUMENTATION: Applicants must explain in detail, in the application, how the specialized experience was acquired, including applicable dates. Applicants should include, with application, any training completion certificates/transcripts in the areas covered in the KSAs.

SUMMARY OF DUTIES: Plans and lays out work to be accomplished in the shop which is then completed by the technician and lower graded workers. Determines approaches, methods and courses of action required to accomplish the mission of the shop in an effective and efficient manner. Independently determines appropriate maintenance procedures. Estimates time, equipment and material requirements. Devises and maintains plans and records. May provide recommendations and input to supervisor concerning personnel actions such as performance appraisals, awards, position description changes, disciplinary actions, and leave. Prepares for and participates in various types of readiness evaluations, inspections, mobilization and command support exercises. May be required to perform additional duties such as structural fire fighting, aircraft fire/crash/rescue duty, security guard, snow removal, munitions loading and handling, heavy equipment operation, maintenance of facilities and equipment, or serve as a member of a team to cope with natural disasters or civil emergencies.
